RE: Angel Ramos v. Hunts Point Service Station, Inc.  
Case No.: 08 CV 02781

Your Honor:

I am a shareholder and a Vice-President of Hunts Point Service Station, Inc. ("Hunts Point"). The purpose of this letter is to advise Your Honor that a) Hunts Point is still in the process of attempting to retain counsel in the above referenced matter, and b) to advise Your Honor that Hunts Point denies the allegations alleged in the Complaint by Angel Ramos in the above referenced action.

Since being served in this matter Hunts Point has consulted with our corporate attorney who wrote a letter to Your Honor on our behalf on April 10, 2008, and three other attorneys in an effort to secure representation. After reviewing the matter, three of the four attorneys advised us that they do not handle this type of matter. The fourth attorney advised that his firm would handle this matter but requested an initial retainer well in excess of what we are able to afford. We are continuing to contact attorneys and are confident that we will secure representation in the very near future.

Endorsement  
As a corporation may only appear by counsel, if an appearance of counsel is not filed by June 3, 2008 judgment by default may be entered against the defendant. As ordered.

With respect to the allegations raised in the Complaint, please be advised that I have read the Complaint and that Hunts Point denies as alleged the allegations in the Complaint with respect to numbered Paragraphs 1, 2, 4, 5, 7, 9, 10, 11, 12, 13, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33 and 34. In addition, Hunts Point lacks knowledge or information sufficient to form a belief as to numbered Paragraphs 3, 8 and 17.

It is hereby requested that Your Honor allow the foregoing to serve as Hunts Point's Answer until such time as we are able to have an attorney appear on our behalf.

Should Your Honor require further information please do not hesitate to contact me.

Sincerely,

Hunts Point Service Station, Inc.
